**REMARKS**

**MAR 25 2008**

Entry of the foregoing Amendment is believed to be in order and is respectfully solicited by reason of the fact that such Amendment places the application in condition for allowance.

Non-elected claims 6-7, 14-15, 21-23 and 29-39 have been canceled. Such cancellation is without inference of abandonment of the subject matter recited in such non-elected claims, and without prejudice to applicant's right to file one or more divisional or other continuing applications directed to the subject matter of such non-elected claims and entitled to the filing date of the present application.

A Terminal Disclaimer is enclosed to obviate the double patenting rejection over application 11/285,597.

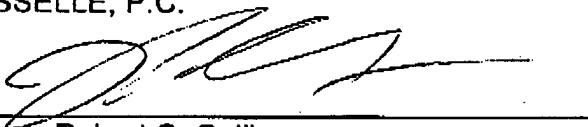

It therefore is believed and respectfully submitted that all claims 1-3, 5, 10-13, 16-20, 24-28 and 40-43 remaining in the application are allowable at this time, and favorable action is respectfully solicited.

Please charge any fees associated with this submission to Acct. No. 50-4417 (Rexam Plastic).

Respectfully submitted,

REISING, ETHINGTON, BARNES,  
KISSELLE, P.C.
